ISSUE II / 2014

The Girl-led Revolution-Just Yell Fire: Created by teens, for teens, Just Yell Fire™ is a movement of 1.5 million girls across 64 countries who work to empower their fellow girls to know their rights, stand up for themselves, be aware of the dangers they face and escape violence when trouble finds them. Dallas Jessup, the CEO who founded the organization when she was 15 said, “Just Yell Fire™ is taking on a crisis: violence and abuse

against young women and girls. The numbers are horrific: 1 in 4 becomes a sexual assault victim, 1 in 3 face dating abuse, and too many encounter random violence, date rape drugs, hate crimes, or traffickers. We believe every girl has the right to live a life free of fear, abuse, or violence and we're fighting back.” Don't miss their “Dating Bill of Rights.” Genius. @dallas_jessup, }ustyellfire. com, Dallasjessup. com
